INCREASE SAFETY - REDUCE LIABILITY

MultiPurpose Safety Padding
Childcare - Kid Gym - Nursery - Playground

"I just wanted to thank you for a great product. My husband ordered the Basic Corner Strip in red for our church Toddler playground. This playground serves ages 1-2 years old, both for church and for our Weekday Early Education (W.E.E.) School. I am the director of WEE School and my teachers are thrilled with the product. They feel we are offering an even safer playground on which the children can play.

I am also impressed with how easy it was to install. I helped my husband for 2 hours on a Saturday using the adhesive you recommended. It was simple to do. Thank you again for representing your product accurately, the speed and attention to our order."

Sincerely,

Sherri Howard
